Adopting Families for Christmas- November 21st - December 8th

PCCA partners with the **Union Gospel Mission's Women's Program** to help purchase Christmas presents for their families. **November 21st - December 8th** PCCA will be collecting "UNWRAPPED" gifts. There will be a table located in PCA with ornaments. Each ornament will have a specific item listed on it of what needs to be purchased for these families. Simply choose an ornament, find the **NUMBER** listed on the ornament and write your name by the number on the sheet of paper, so we can keep track of which family will be donating which item. Feel free to take 1 or more ornaments. Thank you in advance for helping PCCA support the UGM's Women's Program and give back to our community!

Emergency Procedures Notifications-

In the event of an emergency or severe weather conditions PCA has established the following guidelines:

Emergencies (Natural Disasters/ Evacuations/Earthquakes)-

These are 2 churches located in Oregon. We have connections at both locations. In case of an Emergency and local cell towers or land lines are unable to allow you to reach our local Emergency phone numbers, please contact 1 of these churches and they will be updated as much as possible.

Beaverton Christian Church (503) 646-2151

Tigard Christian Church Phone (503) 639-5713

Should we need to evacuate the building, we will evacuate to Temple Baptist (the church next door) or Komachin Middle School.

Local Emergency Phone Numbers:

Amy Goodwin- 360-878-3915

Jennifer Tucker-360-701-3027

Jeff Adams- 360-888-5523

Linda Gruver- 360-870-6986

Weather conditions (Delays, Closures, or Power Outage):

PCA has few methods for notifying parents:

1. The message on the phone number 360-878-8915 will be updated by 7pm (should we know by this time) the night prior or 5am to a delay or closure.
2. I can text message any PCA family who is interested in receiving a message about delays and closures. I will do my best to inform families as soon as a final decision has been made. (PCA cell phone # is 360-878-3915).
3. A message will be posted on the PCA Facebook page and email.
4. Power outages- during the winter:
 - a. No power prior to opening the school day- PCA will make a decision as to whether we are able to have students attend depending on the temperature inside the building. If it is too cold (**BELOW 65 degrees**) to operate for the safety of the children, we will not open until power is returned to PCA.
 - b. Power outage during the school day- Depending on the temperature in the building, we may keep students or call parents to have students picked up early.
